

# OETRA Trail Ambassador Project Assistance Request

OETRA Trail Ambassadors may request assistance from OETRA to provide funds to be used toward a project at their specified location that will enhance the trail riding experience for the majority of users; e.g. trail maintenance, construction and relocation on public land and improvements at trailhead and campground that enhance safety and/or convenience for the users. Trail Ambassadors are responsible to recruit and organize the volunteers required to complete the project.

Submissions are due June 1, after which is a minimum 30-day question and answer period where clarification is needed by the OETRA Board of Directors members.
